These are generated by the Central District and a few placement agencies we have advertised with. Along with that, we have contacted several seminaries and placed a job posting on their placement boards. We have also listened to a few sermons from those who meet our criteria. Our team has been praying that God would make evident the man that he has for this body. As of yet, we are still patiently waiting on God to provide and will continue our due diligence on evaluating candidates.**THANK YOU** to all of you for your support of the team that came to help us here in Libby, Montana. Financially you all gave so much and we know many of you worked hard to provide that gift. More so, we know your prayers surrounded that week.
