MONTHLY DISCIPLESHIP CHALLENGE: *Pray with or over*

someone at church

ADVENTURE CLUB If you have not already done so, please fill out a parent consent form for your children. The forms are available at the welcome center and can be turned in to the church office or put in Jessica Hanson's mailbox.. We will be providing sack lunches to students again this year. Sign up to provide or help pack the lunches at the welcome center.

What in the world is going on?!?! Does the current world situation alarm you or cause concern? Well, it shouldn't. Things are happening exactly as God's word says they would. Bible prophecy is a subject that often gets neglected for various reasons. In order to help bring understanding to what Scripture says about certain events, ACEFC is going to be holding a **BIBLE PROPHECY CONFERENCE** on **Saturday, November 20th**. We will look into what Scripture says about the events of the last days and also compare the current world situation to those truths. This will be an encouragement and a joy to you so mark this day on your calendar and plan on being here!

C.S. LEWIS BOOK CLUB PART 2

The C.S. Lewis book club will be starting up again this fall, this time exploring some of Lewis' works of nonfiction. PDF copies of all of Lewis's works can be found online. Contact Megan Kischer for instructions or questions. Meet at church at 7:00 PM.

September 30 – Chapters 1-7 of *Surprised by Joy*

October 21 – Chapters 8-15 of *Surprised by Joy*

November 18 – *A Grief Observed*

December 16 – *Reflections on the Psalms*

BUILDING UPDATE: After congregational approval to move forward with our project the Building Committee has been working on the following. We are in the process of engaging a civil, mechanical, structural, and heating/cooling engineer. We have asked Jennifer Palmer with Denison Drywall to coordinate this. Jennifer has been a direct help to us with our overall plan design to this point. She understands our project already and has contacts with engineers that she regularly works with. Jennifer is also an accredited architect and will be providing those services to us.

The soil boring has been completed. Permits are being applied for. The engineers will begin their work now. Once they have completed their plans, we can begin the bidding process. We are hopeful that some excavation/ground preparation can be completed yet this fall. Because the needed contractors are booked through the end of this year it does not seem likely any additional work can begin until next Spring. We should soon have an updated sketch providing a ground-level visual of what the outside of the structure will look like. This will be displayed in church once we receive it.

As of September, 2021 our Building Fund balance is \$1,269,794.33.
